

Lot Code Explanation

Example of Batch # AT034220

AT - Location of Production/Packing
034 - Julian date calendar (February 3)
2 - Year 2012
20 - Employee identification number of the line leader

Shelf Life of our Products

Our sea salt products come under the category of Generally Recognized as Safe (GRAS), under sections 201(s) and 409 of the Federal Food, Drug, and Cosmetic Act (the Act). Sea salt can last for a very long time, if stored properly.

As a trade practice, we label our products with a shelf life of (7) seven years.
